TECHNICAL SPECIFICATIONS

Enhanced Listing

Supply 1 photo as a high res tiff or jpeg, minimum size of 2" w x 2.35" h, 300 dpi, (approx 1 to 2 megs). Supply text for the description of the business with a maximum of 75 words. Supply contact info - business name, address, phone number, website. Selection of fonts and background colours will be made by the Hills of Headwaters Tourism Association.

Accepted File Formats

Press-ready, high-resolution Acrobat pdf (300 dpi, CMYK, fonts embedded), InDesign CS2, Illustrator CS2, Photoshop CS2, Quark Xpress 6.5. Ensure that fonts are embedded or included, or converted to outline. Supply all support files (such as logos, photos).

Image File Formats and Settings

Supply CMYK images as tiff, eps or high res jpegs; black and white as tiff. CMYK and grayscale images require a resolution of 300 dpi at 100% final size; bitmap images require a resolution of 900 dpi at 100% final size. RGB and other colour formats will be converted to CMYK, and therefore colour accuracy cannot be guaranteed. Use settings for sheetfed coated stock.
